Absence for any reason does not relieve a student of the responsibility of completing course work and assignments to the satisfaction of the instructor. In accordance with Lakeland College Policy, **if a hairstyling student is absent for 50 hours for any portion of the program (theory or lab/open salon classes)**, the instructors will fill out an absence report and forward it to the program Chair for appropriate follow-up action. Unexcused or unreported absences may be cause for dismissal from the program.

Absence for any reason does not relieve a student of the responsibility of completing course work and assignments to the satisfaction of the instructor. In cases of repeated absences due to illness, the student may be requested to submit a medical certificate. Instructors have the authority to require attendance in classes.
