Dual Credit Agreement

Part 1 - Student

By signing this agreement, I acknowledge my understanding that I am enrolled in a college-level course and that my work will be graded according to the same standards applied to college students. I understand that the final grade earned in this course will be entered into my permanent record at Lakeland College.

As a Lakeland College dual credit student I understand and agree to the following:

- Attend classes and be punctual. Your instructor must be contacted if you will be absent or late.
- Attend all classes as scheduled. Your class schedule will be available from your instructor.
- Meet program homework and study expectations

I understand that I may withdraw from college at any time by submitting a completed Cancellation of Registration/Withdrawal from College form and submitting it to the Office of the Registrar at Lakeland College. A "W" grade will be assigned to the course in the current registration period providing the deadline to withdraw has not passed (generally the five-eighths point of the course). Withdrawals processed past the deadline to withdraw from courses will result in a failing grade.

In signing this application, I agree to abide by the regulations governing study with Lakeland College. I understand that I can access the full listing of policies and procedures at lakelandcollege.ca.

What Is dual credit?

Dual credit the initiative promotes the offering of dual credit courses for high school students. A dual credit course is a college course taken by a high school student that earns both college and high school credit at the same time. Courses may be taught using online technology at the high school during high school hours or may be scheduled after school hours.

Participating in dual credit enables you to make substantial progress toward your college program before finishing high school.

What are the benefits of taking dual credit courses?

Innovative. You have the opportunity to take courses using the latest educational technologies available which prepares you for the new technological workforce.

Convenience. Courses are taught at the high school campus or online depending on the arrangements made with the high school.

Close to home. Learn what college instructors expect while still in familiar high school surroundings.

Student Success. Successful completion of college-level courses helps students be successful in making the transition to a college campus later. Students will have acquired the confidence to succeed academically and personally in college.
