

## Greg Flondra Memorial Scholarship

The family of Greg Flondra has started a scholarship in his memory. Greg suddenly passed away in a farming accident on August 9<sup>th</sup>, 2017 at the age of 32. He left behind his wife and three daughters, Isabella, Annalise, and Allyson. Greg grew up on the family farm near Vilna, AB. He attended Vilna school and was active in many sports. He liked to play hockey, slow pitch ball and curling. He was involved in his community, member of the Vilna Curling Club, Hamlin Hall, Vilna Fish & Game and volunteered for the Vilna Ag Society. Greg attended NAIT and became a master electrician. He completed his apprenticeship with local companies and then started his own business, Haywire Electric. He worked around the areas of Smoky Lake and St. Paul and was proud to be an active tradesperson.

Greg was actively involved in agriculture and loved rural life. Greg wanted to continue to grow the family farm but he also realized the importance of further education. A scholarship of \$1000.00 in his memory would assist other individuals to help with the expense of furthering their education.

We would like to direct this scholarship to individuals who are in an apprenticeship program in any trade area. They must have at least completed their second year of their program and have graduated from high school in the County of Smoky Lake or the County of St. Paul. Being involved in their community and their interests are also important factors to consider when choosing a successful candidate.

For more information or application forms for the Greg Flondra Memorial Scholarship contact Mary Flondra at [gregflondrascholarship@gmail.com](mailto:gregflondrascholarship@gmail.com). We are currently accepting applicants and announcing the successful applicant in the summer of 2021.
